Mayor's Recommendation of HDR Engineering, Inc. for the Design Services for Two Pedestrian Observation Platforms and safety improvements on the Rio Grande Bridge On Central Avenue. **Project # 7651.91**

The Selection Advisory Committee met on June 28, 2006 to consider the following project:

Project: Project # 7651.91 - Design Services for Two Pedestrian Observation Platforms and safety improvements on the Rio Grande Bridge on Central Avenue.

Agency: Department of Municipal Development

Cost: The Estimated Construction Cost: \$ 750,000.00

Project Description:

The design is needed to construct two observation platforms (on the Rio Grande Bridge on Central)

One on the south side and the other on the north side and as much as possible in the center of The bridge. The design will also provide for the safety improvements of the pedestrians who will visit these platforms.

The Committee made the following recommendation:

HDR ENGINEERING INC.
